The Friends Own Clothes Day

Monday 22nd is own clothes day for the Summer fayre.
Please bring in donations of sweets and a bottle of wine or alcohol for the water or wine stall. **No chocolate please as it will melt in the hot weather.**
Could we also ask that you **save your empty wine bottles with lids** and bring them into school any day next week.

Thank you

A friendly reminder

Reminder: Personal Toys, fidget tools and Collectible Items

We kindly ask all parents and carers to ensure that children **do not bring toys, fidget tools or collectible items** such as *soft toys/Labou Bou toys, Pokémon cards, Fidget spinners, rubiks cubes or similar items* into school unless pre agreed with Mrs. Williams. These items often cause unnecessary disagreements, distractions, and upset among pupils.

If staff discover these items in school, **they will be confiscated and held safely in the school office until they can be collected by a parent or carer**.

We appreciate your support in helping us maintain a calm, focused learning environment for all children.

Thank you

LOST property

The lost property yellow bin is over flowing yet again!

Please ensure **all items of clothing and belongings are clearly labelled** with your child's full name. If using second-hand uniform, remember to remove or cover the previous child's name and add a fresh label. If writing names, permanent marker works best, as other pens can wash off.

Please note that the school office does not hold lost property. Items left on the Heath or in the playground are always collected — if named, they are returned to class, if not, they go straight into the yellow bin.
Thank you for helping us reunite children quickly with their belongings! If you are buying name labels for your children we have a relationship with easy2name. Every label ordered through them raises money for our school when you use this unique code.

If you find an unnamed item in the correct size in the Yellow bin, please take it, rename it and reuse it!

National year of Reading 2026

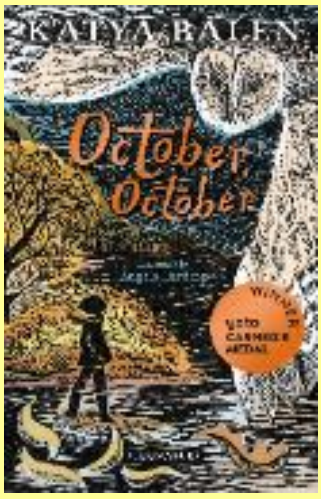
Read More Books!

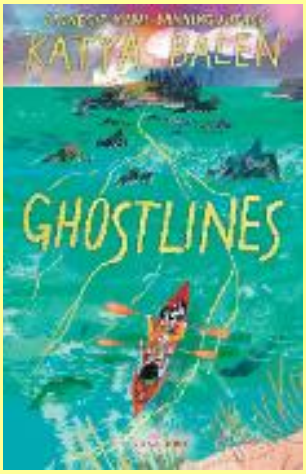
2026 has been designated the National Year of Reading. There is a website https://goallin.org.uk/ with lots of ideas to incorporate reading for pleasure into daily life.
Did you know that reading has been proven to reduce stress levels, lower heart rate, and ease tension in the muscles more effectively than other methods?
According to research carried out by Mindlab International at the University of Sussex, reading for only 6 minutes reduces stress levels by 68%, making it more effective than listening to music 61%, having a cuppa 54%, taking a walk by 42%, or playing video games 21%.

At All Saints', we encourage reading for pleasure through our system of spine books and class libraries. Each class has a selection of books comprising fiction, non-fiction and poetry. Books are changed regularly and peer recommendations encouraged.

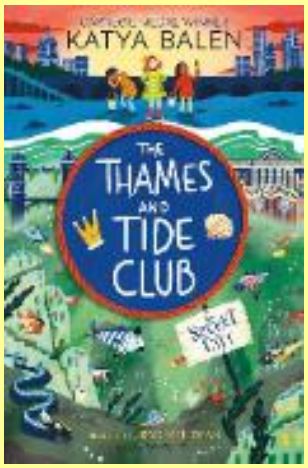
If your child has recently read a book that excited or inspired them, then please encourage them to talk to their teacher about it.

Author recommendation from Mrs Day
Katya Balen has written lots of different books suitable for all key stages.
For upper KS2





For lower KS2



For KS1

Absence reporting to the office

If your child is absent please can you report it to the office with the reason, this can be done in person, via email or telephone by 8.30am if at all possible. If we have not heard from you by 9.30am you will receive **an automatic text** from the office. If your child comes in late please make sure they report to the office before heading into class, if they do not do this the office will not know your child has arrived. If your child comes in after 10.00am late, and you have not previously let us know then the kitchen may only be able to offer a baked potato as a lunch option.

Thank you

Universal free school meals

Your child will receive their free school meals automatically, **but it is vitally important** that you still complete your school borough's registration form in case your child is eligible for extra funding for the school from the Government, worth £1,300 per year. That is extra money to spend on enrichment activities, teacher development, and targeted support for the children that need it most. It also entitles you to other benefits like food vouchers during the holidays.

London Marathon Hosting

All Saints' Marathon Hosting 2026

MARATHON 2027 NEEDS YOU!!!

Over the past 5 years, this programme has raised over £4,300 for our school. My daughter is now in Y6 so I will be passing the baton on. Please let me know if you would like to be part of the team that delivers this vital fundraising strand for our school. It's a very special event to be part of. It is a privilege to meet runners and hear their stories, and to be able to provide them with a warm welcome and a positive start to an incredibly gruelling feat.
If you would like to be part of the team, please let Debs (Elspeth, Y6) know.

As per the schools 'Uniform Policy', there should be no smart watches in school at any time.

Thank you

School Uniform

Please ensure your children **only** wear trainers on PE days the rest of the time they should be wearing full school uniform and school shoes.

At All Saints' Primary school, our school uniform is an important part of our identity. It helps foster a sense of belonging, pride, and unity among pupils, while supporting high standards and expectations across all areas of school life. It also promotes a strong, cohesive school community where all children feel included.

Students are **not permitted** to wear jewellery in our school, so any student arriving at school wearing jewellery will be asked to remove it.

School Uniform Expectations:

- **Black school shoes** must be worn daily. Plain trainers are only permitted on PE days.
- **No coloured leggings, non-uniform tops, t-shirts, or other colour zipped hoodies or jumpers**, should be worn.
- **Hair**, for both boys and girls, should be **neatly tied back and kept out of the eyes**.

These expectations, along with all other uniform requirements, are set out clearly in our **school uniform policy**, which can be found here Uniform Policy

Healthy eating guidelines

Packed lunch and snack guidance
As most of you are probably aware, All Saints' like most schools and organisations in Lewisham is a sugar smart organisation. As such, we follow strict guidance on school dinners and ensure that the meals provided are nutritionally balanced.

Packed lunches brought in by children also need to follow this guidance - there should be absolutely **no nut products**, no fizzy or fruit drinks, no chocolate bars or sweets. Please consult the healthy eating guidelines on the school website for more information on packed lunch recommendations.

KS1 pupils are offered fresh fruit and vegetable snacks each day. If your child only likes certain fruits and vegetables, they are welcome to bring in their fruit and vegetable preference or plain bread sticks as are KS2 pupils. There should be no other snacks or drinks brought in for playtimes. If staff see pupils with other playtime snacks, they will be taken away and given to pupils at the end of the day.
