A welcome message from Mr. Tuker

Welcome Back to All Saints.

It has been wonderful to welcome everyone back to All Saints for another school year.

There is something particularly special about the start of a new school year. September brings with it a sense of new beginnings, new opportunities and new possibilities. It is a chance for our children to set themselves new goals, try something they have never done before, discover new interests, make new friendships and, most importantly, continue to grow in confidence and character.

For us as a school, it is also an opportunity to reflect on what we do well, consider what we can do even better and continue to make All Saints an even better place for our children to learn, grow and flourish.

There have already been lots of exciting changes around school.

Our Year 2 classroom has had a complete redecoration, giving the children a fresh and welcoming learning environment. We have also had a new boiler system installed, which might not be quite as exciting to the children, but is certainly something we will all appreciate as the colder months arrive!

We have also welcomed our new catering company, Olive. The food has already received a very positive review from the children — and I can personally confirm this, having taken on the important role of Chief Taster!

Our New Breakfast Club and Wraparound provision, through Progressive Sports, have also got off to a really positive start. We are particularly pleased to be able to offer an exciting range of additional activities and clubs, with some familiar favourites returning, including Kung Fu, Yoga and Art Club, alongside other opportunities for our children to explore their interests, develop new skills and discover talents outside of the classroom.

Music is another area where we are excited about what lies ahead. We have welcomed our new music provider, Front Row, and their first lessons have taken place this week. The initial response has been extremely positive, and I am looking forward to seeing how our children's confidence and enthusiasm for music develops throughout the year.

Of course, perhaps the most important changes at the start of any school year are the people.

We have welcomed new teachers and new pupils into our All Saints family, and it has been wonderful to see how quickly they have settled in. I would like to thank everyone for making them feel so welcome and for helping them to become part of our school community.

As we look ahead to the year, I want to encourage every child to embrace the opportunities that come their way. Have a go. Try something new. Don't be afraid to make mistakes. Be kind. Be curious. Challenge yourself. We never know where one small opportunity might lead.

Our school values remain at the heart of everything we do, and together we will continue to encourage our children to become confident, compassionate and resilient young people who are proud to be part of All Saints.

I am incredibly excited about the year ahead and all that we will achieve together.

Welcome back, All Saints. Here's to a fantastic new school year!

Housepoints

Throughout the school day, pupils may be given a House Point from another adult in the school, this will be in the form of a Golden Token. these may be in regonition for all the positive things that they may be seen doing.

It could be for positive behaviour choices; efforts in class work, or regularly showing school values . These must be handed to their teacher to be added to their personal score as well as their house total. If you happen to find one in a pocket, encourage your child to hand it in!

School holiday | Public Bank Holiday | INSET day | **Children do not come in on INSET days**

Universal free school meals

Your child will receive their free school meals automatically, **but it is vitally important** that you still complete your school borough's registration form in case your child is eligible for extra funding for the school from the Government, worth £1,300 per year. That is extra money to spend on enrichment activities, teacher development, and targeted support for the children that need it most. It also entitles you to other benefits like food vouchers during the holidays.

If you currently receive Universal Credit, please check by clicking this link https://fsm.lgfl.net/ to register your child's Free School Meals eligibility, even if you have applied unsuccessfully in the past.

Even if you think the changes may not affect you, we would encourage you to check. If you are unsure whether you are eligible, or would like support with the process, please contact the School Office. Any information shared with the school will, of course, be treated sensitively and confidentially.

We know that the cost of living continues to place pressure on many families, and we want to ensure that every family at All Saints' receives the support to which they are entitled. *Thank you*

Inset day date for the diary

Inset day will be Monday 2nd November 2026.
School will be closed to ALL children.
No clubs will run that day.

Thank you.

Summer Fayre Update

A friendly reminder

Reminder: Personal Toys, fidget tools and Collectible Items

We kindly ask all parents and carers to ensure that children **do not bring toys, fidget tools or collectible items** such as *soft toys/Labou Bou toys, Pokémon cards, Fidget spinners, rubiks cubes or similar items* into school unless pre agreed with Mrs. Williams. These items often cause unnecessary disagreements, distractions, and upset among pupils.

If staff discover these items in school, **they will be confiscated and held safely in the school office until they can be collected by a parent or carer**.

We appreciate your support in helping us maintain a calm, focused learning environment for all children.

Thank you

LOST property

The lost property yellow bin is over flowing yet again!

Please ensure **all items of clothing and belongings are clearly labelled** with your child's full name. If using second-hand uniform, remember to remove or cover the previous child's name and add a fresh label. If writing names, permanent marker works best, as other pens can wash off.

Please note that the school office does not hold lost property. Items left on the Heath or in the playground are always collected — if named, they are returned to class, if not, they go straight into the yellow bin.
Thank you for helping us reunite children quickly with their belongings! If you are buying name labels for your children we have a relationship with easy2name. Every label ordered through them raises money for our school when you use this unique code.

If you find an unnamed item in the correct size in the Yellow bin, please take it, rename it and reuse it!

School Uniform Sale

We will be having a new stock clearence sale and 2nd hand uniform sale on **Thursday 1st October 2026** in the front playground before school.
This will be a last chance to buy any remaining stock directly from school. Thereafter you will need to order online via JK clothing, all the information is on the flyer below.

We will also have all lost property on display, please check and claim back your missing items. All unclaimed items will be recycled or binned.

Please name all of your childs uniform and possesions.
Thank you

School Uniform

Please ensure your children **only** wear trainers on PE days the rest of the time they should be wearing full school uniform and school shoes.

At All Saints' Primary school, our school uniform is an important part of our identity. It helps foster a sense of belonging, pride, and unity among pupils, while supporting high standards and expectations across all areas of school life. It also promotes a strong, cohesive school community where all children feel included.

Students are **not permitted** to wear jewellery in our school, so any student arriving at school wearing jewellery will be asked to remove it.

School Uniform Expectations:

- **Black school shoes** must be worn daily. Plain trainers are only permitted on PE days.
- **No coloured leggings, non-uniform tops, t-shirts, or other colour zipped hoodies or jumpers**, should be worn.
- **Hair**, for both boys and girls, should be **neatly tied back and kept out of the eyes**.

Healthy eating guidelines

Packed lunch and snack guidance
As most of you are probably aware, All Saints' like most schools and organisations in Lewisham is a sugar smart organisation. As such, we follow strict guidance on school dinners and ensure that the meals provided are nutritionally balanced.

Packed lunches brought in by children also need to follow this guidance - there should be absolutely **no nut products**, no fizzy or fruit drinks, no chocolate bars or sweets. Please consult the healthy eating guidelines on the school website for more information on packed lunch recommendations.

KS1 pupils are offered fresh fruit and vegetable snacks each day. If your child only likes certain fruits and vegetables, they are welcome to bring in their fruit and vegetable preference or plain bread sticks as are KS2 pupils. There should be no other snacks or drinks brought in for playtimes. If staff see pupils with other playtime snacks, they will be taken away and given to pupils at the end of the day.

Community date for the diary

The Blackheath Society is planning KITE DAY on Blackheath again this year. The Kent Kite Flyers will be bringing their unusual and large kites to fly in the arena on the Heath near All Saints Church, SE3.

The date is Sunday 11 October, 12 - 3 pm. There will be kites for sale, but many children enjoy making and bringing along their own kites which is a possibility for school projects. All are very welcome. It is a free, fun, enjoyable family event.
